All the stars man, the stars is beautiful tonight
Look at em!

Chorus:

Offbeat superstars, that is what we are
We have come so far, we are so bizarre
the pops should be, in another place
We can rely on each other, uh-huh
>From one party to another, uh-huh
Uh, yeah, yo, yo

Some got, hopes and dreams, we got, ways and means

The surpreme dream team, always up with the schemes

>From hubcaps to sellin raps, name your theme
My rise to the top, floatin on this cream

Who the hell wanna stop me, I hated those who doubt me

A million ReFugees with unlimited warranties

Black Ceasar, dating top skeezers

Diplomatic legalese, no time for a Visa

They just begun, I'ma shoot them one by one

Got five sides to me, somethin like a pentagon

Strike with the forces of King Solomon

Lettin bygones be bygones, and so on, and so on

I'ma teach this cat, how to live in the ghetto

Keepin it retro-spective from the get go

Lay low, let my mind shine like a halo

Politic with ghetto senators on the deelow

Chorus

One two, and you don't stop, yo

My eyes is sore, bein a senator

Behind closed doors hittin truth to the seafloor

The rich go North ignore, the tug of war

While the kids are poor, open new and better drug stores

So I became hardcore, couldn't take it no more

I'ma reveal EVERYTHING, change the law

I find myself, walkin the streets

Tryin to find what's really goin on in the streets

Yea, yo, yo, yo

Now every dog got his day, needless to say

When the chief away that's when them cats want to play

I told you, mess around you fools like Cassius Clay
Stretch my heater make you do a pas de bourree
Kick your balls like Pele, pick em doin ballet
Peak like Dante, broader than Broadway
Get applause like a matador, cry yellin !Ole!
Who the hell wanna save me, from B.K., to Cali
Come on
Chorus
Yeah... yo, yeah
Just when you thought it was safe in a common place
Showcase your finest is losin fast in the horse race
Two faced, gettin defaced, out like Scarface
Throw your roll money, let me put on my screwface
Well I'm paranoid at the things I said
Wonderin what's the penalty from day to day, I'm
hangin out
partyin with girls that never die, you see I was
pickin on the small fries, my campaign tellin lies
Was just spreadin my love, didn't know my love
was the one holdin the gun and the glove
But it's all good as long as it's understood
It's all together now, in the hood
Chorus
Uh-huh uh-huh uh-huh uh-huh
Yeah
All Stars, yeah yeah yeah
Chorus
