I probably shouldn't say this.  
Because my friends think that I'm weird.  
Every time I say I love you they remind me you can't  
hear.  
It's because you're cardboard. I'm always ignored.  
why do you feel so real to me why cant they see?..and  
your still standing the same way Just how i left you  
yesterday, against the wall.  
Don't fall.

The 7 things I hate about you.  
The 7 things I hate about you.  
Oh, you...

You're fake, you break, you are not real.  
If only I had something to feel.  
You are 2D with no back side.  
You cost me quite a lot to buy.  
My friends are jerks they make fun of us.  
Just know it hurts. I want to be with the real Miley.  
And the 7th thing I hate the most about you  
You make cardboard look cute ;-)

It's awkward and silent because cardboard cannot  
speak.

I wonder what you think about when you smile and  
stare at me.  
Dude are you serious?! You're delirious? She is  
cardboard  
she can't hear us.  
YES I CAN.  
Dude oh my God did she just talk?!  
She's been real all along! Say something again!

DAVE NEVER TOUCH ME AGAIN!

And compared to all the great things  
That would take too long to write  
I probably should mention the 7 that I like...

The 7 things I like about you.

Youe hair, your eyes, cardboard Levis.  
When we kiss you're hypnotized.  
You let me do whatever I want.  
I can't wait till Chris is gone! ;-)  
We never fight when I hold you tight  
Ow! Splinter! Oh it's alright!  
I wanna be with the real Miley.  
And the 7th thing I like the most about you.  
You make cardboard look cute.
