(Ooooo)

We got drunk, We made out,  
Now you're all I can talk about,

Call me dumb, 'Cause you're not mine,  
You flew home to be by his side,

Yea, you were the one then you left,  
Now I'm just a boy you'll forget,

(Ooooo)

You're in town,  
You want to see me again,  
Said I'm a really cool guy,  
And you really like being friends,  
(Fuck)  
It sucks, your honesty,  
I wouldn't wanna be him,  
No, I don't wanna be me,

Yea, you were the one then you left,  
Now I'm just a boy you'll forget,

Yea, you were the one then you left,  
Now I'm just a boy you'll forget,

Now I'm just a boy you'll forget,  
(Ooooo)

Now I'm just a boy you'll forget,  
(Ooooo)  
Now I'm just a boy you'll forget,

Kiss me one more time before you go,  
There's things you need to hear, that you don't know,

You were the one, please don't leave,  
I'll remember you when you forget me,  
(Ooooo)

Yea you were the one then you left,  
now I'm just a boy you'll forget,

Yea you were the one then you left,  
Now I'm just a boy you'll forget.
