It's alright to tell me what you think about me  
I won't try to argue or hold it against you  
I know that you're leaving you must have your reasons  
The season is calling and your pictures are falling  
down  
Falling down

The steps that I retrace the sad look on your face  
The timing and structure did you hear that he kissed  
her?  
A day late a buck short I'm writing the report  
On losing and failing when I move I'm flailing now

And it's happened once again  
I'll turn to a friend  
Someone that understands  
Sees through the master plan

But everybody's gone  
And I've been here for too long  
To face this on my own  
Well I guess this is growing up  
Well I guess this is growing up

And maybe I'll see you at a movie sneak preview  
You'll show up and walk by on the arm of that guy  
And I'll smile and you'll wave we'll pretend it's okay  
The charade it won't last when he's gone I won't come  
back

And it'll happen once again  
You'll turn to a friend  
Someone that understands  
And sees through the master plan

But everybody's gone  
And you've been there for too long  
To face this on your own  
Well I guess this is growing up

Well I guess this is growing up [5x]
