If I were a girl, even just for a day  
I'd roll out of bed in the morning and wonder what just  
happened to me.  
Oh no, don't tell me they're real.  
Yeah I think they're real.  
Something else is missing  
Where the heck's my pen15?!

If I were a girl, would I still look like a guy?  
No, I won't put on make up but I might just want to give  
that bra a try.

If I were a girl I could mess with the guys.  
No, no not like that, I mean  
When we get a nice dinner Ill make sure they buy.  
I could seduce them.  
Show them my nice behind.  
Yo Zach check out that A... OMG!  
Ha gotcha! You totally like guys!

If I were a girl I'd have the nicest legs.  
I refuse to cook in the kitchen but I'm pretty dang good  
with the microwave.  
If I were a girl please don't get mad if I'm mean.  
I'm not used to my body this monthly thing is kinda new  
to me.

No I don't really know if I want to change back.  
Because I like my new hair and the guys love  
my...my...my...my...  
My face. What?!?

Oh if I were a girl I don't think I'd ever understand  
How it feels to be a girl.  
God please change me back to a man!  
If I were a girl.
