[Miley Cyrus]

Oh Dave, you are so cute and so funny,
I loved your videos from the very beginning, I love you
so much.

How would you feel about a kiss?

[Dave Days - awakes from a dream]

Yes, Miley.

[Dave Days]

This has been going on
Each second I look you're gone
You're not calling
It's time for me to move on
My friends were right all along
You keep falling away

Giving up's not easy
It's hard enough just saying

As much as I make believe
You're not really here with me
What was I thinking from the beginning
You didn't care at all

So here's your last song

I can leave it all behind
Or take another chance to find you
Nowhere in sight
Going to the movies alone
Every scene that's shown
Reminds me of you

Giving up's not easy
It's hard enough just saying

As much as I make believe
You're not really here with me
What was I thinking from the beginning
You didn't care at all

All that's left are the memories
Constantly haunting me
I'm giving up, it's time to grow up
You're not around and we're not in love

Laying around in this hotel room
Too much to think about nothing to do
She's not coming back she's not coming back
She's not coming back she's not coming back
She's not coming back

As much as I make believe
Something inside of me
Has got me hoping, got me thinking
Who am I to assume

This love is crazy
Unpredictable maybe
You'll melt my heart like you did from the start
All over again like it's not the end

So here's your last song

Yeah we made it out
Yeah we made it out
Yeah we made it out
Yeah we made it out

[Miley Cyrus]
Thank you so much for checking out the video.

[Dave Days]
And thanks to Miley for being in the video with me

[Dave Days]
So, Miley, how about that kiss?

[Miley Cyrus]
Ha, ha, ha, ha, ha,

[Dave Days]
I'm serious.

[Miley Cyrus]
Oh, Dave

[Dave Days]
You feel so real.

[Miley Cyrus]
I am real.
