I remember the first time you caught-  
Caught my eye  
I was flipping the channels around  
Not sure what I'd find  
And then this pretty girl showed up out of nowhere  
Hey this works for me-he  
Dude, what the heck, why ya watchin' disney

Now my alarm is set for 7 pm and I  
I don't miss a show  
Just because I watch hannah montana  
Doesn't mean I'm alone  
I feel this deep connection  
Between Miley and I-hi  
Are you kidding me, she's like only 9  
Miley please don't freak out  
You're all I think about  
I st st stutter when my mom catches us making out  
It's you I gotta see  
For once not on TV  
My best friend's wonderin' why I'm watching disney  
Next time that we hang out  
No more cardboard mouth  
I just can't wait 'til then  
Oh no ohhhohohh  
I, oh-I can't wait to see you instead

So do you really have a youtube account  
I gotta subscribe  
In this one vid you said you had 0 boyfriends  
Miley cyrus I can be that guy  
You say your saving yourself for marriage  
Wink wink me too  
Hear me out  
I just wanta be with you

Miley please don't freak out  
You're all I think about  
I st st stutter when my mom catches us making out  
It's you I gotta see  
For once not on TV

My best friend's wonderin' why I'm watching disney  
Next time that we hang out  
No more cardboard mouth  
I just can't wait 'til then  
Oh no ohhhohohh  
I, oh-I can't wait to see you instead

It's you I gotta see  
For once not on TV  
Miley, you know who to call  
When you get lonely
