Lisanova
Why do you even try
getting featured on YouTube
is the farthest you'll get in life
And I saw a few of your MadTv skits
What a load of crap
LisaNova does YouTube
Makes Mosh and Dax look bad (horrible)

You're not funny
To me, to us, to anyone (oh no)
You're not funny
To me, to us, or anyone on Earth

Well, you're pretty hot
I'll give you that
But not affirmation girl
No, she's fat.
So thanks for blocking me
You're gonna regret that

Oh this could have been a love song
Well too bad (Yeah uh huh you know what I think)
WHAT?

You're not funny
To me, to us, to anyone (oh no)
You're not funny
To me, to us, to anyone in this world

You're not funny AT ALL (at all at all)
That's right,kids!

No (way)
No (hose ay)
No (way)
No (hose ay)
NO! You're just not funny LisaNova!
