You've got that smile,  
That only heaven can make.  
I pray to God everyday,  
That you keep that smile.

You are my dream,  
There's not a thing I won't do.  
I'll give my life up for you,  
Cos you are my dream.

[Hook]  
And baby, everything that I have is yours,  
You will never go cold or hungry.  
I'll be there when you're insecure,  
Let you know that you're always lovely.  
Girl, you are the only thing that I got right now

[Chorus]  
One day when the sky is falling,  
I'll be standing right next to you,  
(Right next to you) Right next to you.  
Nothing will ever come between us,  
Cause I'll be standing right next to you,  
(Right next to you) Right next to you.

If you'd had my child,  
You would make my life complete.  
Just to have your eyes on little me,  
That'd be mine forever.

[Hook]  
And baby, everything that I have is yours  
You will never go cold or hungry  
I'll be there when you're insecure  
Let you know that you're always lovely  
Girl, cos you are the only thing that I got right now

[Chorus]  
One day when the sky is falling,  
I'll be standing right next to you,  
(Right next to you) Right next to you.

Nothing will ever come between us,  
Cause I'll be standing right next to you,  
(Right next to you) Right next to you.

[Bridge]

We're made for one another  
Me and you  
And I have no fear  
I know we'll make it through

[Chorus]

One day when the sky is falling  
I'll be standing right next to you  
Ohh ohh ohh ohhhhh

One day when the sky is falling,  
I'll be standing right next to you,  
(Right next to you) Right next to you.  
Nothing will ever come between us,  
Cause I'll be standing right next to you,  
(Right next to you) Right next to you.
