I'm at a payphone trying to call home  
All of my change I've spent it on you  
Where are the times gone baby  
It's all wrong, we're at the place we made for two

Yeah, I, I know it's hard to remember  
The people we used to be  
It's even harder to picture  
That you're not here next to me  
You said it's too late to make it  
But is it too late to try?  
And then that time that you wasted  
All of our bridges burnt down

I've wasted my nights  
You turned out the lights  
Now I'm paralyzed  
Still stucked in that time when we called it love  
But even the sun sets in paradise

I'm at a payphone trying to call home  
All of my change i've spent on you  
Where are the times gone baby  
It's all wrong, we're at the place we made for two

If happy ever after did exist  
I would still be holding you like this  
And all those fairytales are full of it  
One more stupid love song I'll be safe

You turned your back on tomorrow  
Cause you forgot yesterday  
I gave you my love to borrow  
But just gave it away  
You can't expect me to be fine  
I don't expect you to care  
I know I said it before  
But all of our bridges burnt down

I've wasted my nights  
You turned out the lights

Now I'm paralyzed  
Still stucked in that time when we called it love  
But even the sun sets in paradise

I'm at a payphone trying to call home  
All of my change I've spent on you  
Where are the times gone baby  
It's all wrong, we're at the place we made for two

If happy ever after did exist  
I would still be holding you like this  
And all those fairytales are full of it  
One more stupid love song I'll be safe

Now I'm at a payphone,

I'm at a payphone trying to call home  
All of my change I've spent on you  
Where are the times gone baby  
It's all wrong, we're at the place we made for two

If happy ever after did exist  
I would still be holding you like this  
And all these fairytales are full of it  
One more stupid love song I'll be safe
