Jingle bells, jingle bells
Snapback on my head
Oh what fun we'll have tonight
It's Christmas time again

Jingle bells, jingle bells
Sorry but you can't come in
We got a dress code, fitted caps are no
Bye bye auf wiedersehen

Welcome to the party, rock a snapback Santa hat
Red cup, green up, fill it up, snap it back
Santa Clause, heard he's coming to town
But if he's rocking a fitted, uh, we'll see you around

Feelin' so fly with my snapback and hoodie
Call me Buzz Lightyear, have you met my friend
Woody?
I know you been bad girl I got a list to tell us
If I stay too long Mrs. Clause will get jealous

It's Christmas time so let's get jolly
Snapback Santa hat boughs of holly
Forget your resolution and drink this solution
It's one big happy family reunion

Jingle bells, jingle bells
Snapback on my head
Oh what fun we'll have tonight
It's Christmas time again

Jingle bells, jingle bells
Sorry but you can't come in
We got a dress code, fitted caps are no
Bye bye auf wiedersehen

I know when you're sleeping, I know when you're awake
And if you catch me creeping, the chimney's my
escape
I'm trying not to pout, I'm sorry if I shout
All I want is milk and cookies, bring em out bring em

out

Milk cookies

Milk cookies

Milk cookies

Milk

Milk cookies

Milk cookies

Milk cookies

Milk

Jingle bells, jingle bells

Snapback on my head

Oh what fun we'll have tonight

It's Christmas time again

Jingle bells, jingle bells

Sorry but you can't come in

We got a dress code, fitted caps are no

Bye bye auf wiedersehen
