Off like a rocket
Now u can't stop it
Chad and Steve wrote a song
U can post a video
and u can be a star
Everyone will watch it no matter who you are

Now the world will see it
And seeing is believing
Believe it or not cause were not leaving
Power to the people
I got the power
My fifteen minutes is now or never
Revolutions every were
I can smell the fear
Medium mobiles look out cause were here
Changing the world in a whole new way
Everybody stand up

Tube it tube it
Everybody's doing it
Make a video
And that u might flow
Around the world
It's all the craze

Stop the king and feed the kids
We can't look away
And leave it as it is
Revolutions every where
