I don't know how we happened we just kind of did

I was being sarcastic and asked for a kiss

You've been on my mind

Waaaoohhh

You've been on my mind

Waaaoohhh

I don't know what to call us but you're cool with that

I told you I was nervous, you smiled and laughed

You've been on my mind

Waaaoohhh

You've been on my mind

Waaaoohhh

I won't say goodbye

I won't let you go (go) all alone

Keep me inside

When I'm strung out, full of doubt

You keep me alive

With the smile on your face and the hair in your eyes

I won't let you go this time

I won't let you go

Won't let you go

I've lost track of the days since you've entered my life

They all think that we're crazy, I tell them they're right

You've been on my mind

Waaaoohhh

You've been on my mind

Waaaoohhh

I won't say goodbye

(I won't say it, I won't say it)

I won't say goodbye

I won't let you go (go) all alone

Keep me inside  
When I'm strung out, full of doubt  
You keep me alive  
With the smile on your face and the hair in your eyes  
I won't let you go this time  
I won't let you go

I won't let you go (go) all alone  
Keep me inside  
When I'm strung out, full of doubt  
You keep me alive  
With the smile on your face and the hair in your eyes  
I won't let you go this time  
I won't let you go  
I won't let you go

I won't say goodbye  
I won't say goodbye  
I won't say goodbye  
(I won't say it, I won't say it)  
You've been on my mind

I won't let you go (go) all alone  
Keep me inside  
When I'm strung out, full of doubt  
You keep me alive  
With the smile on your face and the hair in your eyes  
I won't let you go this time  
I won't let you go  
I won't let you go

Waoohhh  
You've been on my mind  
I won't let you, I won't let you go  
Waaooohhh  
You've been on my mind  
I won't let you, I won't let you go
