I, I, I, I need something special maybe
You, you, you, you, can come and join me on this
Ra-ah-ah-ide to anywhere we wanna
Go, oh, oh, oh. Let's go.

Take my hand and follow me
Take it down, move it all around
Hold my hand get ready for the sky
Cause soon we're gonna fly, gonna fly so high!

I just wanna party all the time,
I'm a hot mess and your lovin me!
I'm gunna dirty up the line
I'm a hot mess I just wanna be free!

I, I, I, I'm gonna corrupt you baby
You, you, you, you, wanna be led astray by
My-ah-ah-ah ~m~nage ~ making you say
Oh oh, oh, oh. Let's go.

Feel it taking over
Moving up, higher off the ground
Feel it ready to explode
Taken over by the sound

I just wanna party all the time,
I'm a hot mess and your lovin me!
I'm gunna dirty up the line
I'm a hot mess I just wanna be free!

Ohhhhh

Kaleidoscope's and disco balls,
Confetti up and down the halls
Flashing lights and pulsing walls
You feel like you can have it all

Give me more you know I'll take it
Moving faster, can you take it?
Pass it round you won't mistake it
You know tonight that I won't fake it

I just wanna party all the time,
I'm a hot mess and your lovin me!
I'm gunna dirty up the line
I'm a hot mess I just wanna be free!

I just wanna party all the time,
I'm a hot mess and your lovin me!
I'm gunna dirty up the line
I'm a hot mess I just wanna be free!
