I went down to the football game
Went down to the football game
But I thought it was really a shame
I saw you with another man
I saw you with another man
Saw you with another man
You'd better learn, baby
I hope you can
Ain't no way I'm going over now
Ain't no way
Ain't no way if I'm gonna travel
Gonna make that call
Gonna make that call
I went down to the football game
Went down to the football game
But I thought it was really a shame
I saw you with another man
I saw you with another man
I saw you with another man
You'd better learn, baby
I hope you can
Ain't no way I'm going over now
Ain't no way
Ain't no way I'm gonna come
Gonna make that call
Gonna make that call
With my [Incomprehensible]
