On the road I saw the signs  
Flashing dark green  
The owl of thunder from  
And look like fighting  
and she through me  
A breaking heart, a in the clouds, dark grey  
And bleeding, 'm gone  
Down this road upon  
Little nothing but a memory  
A memory of gold  
The dawn  
A golden look and a smile  
past the future, screaming up  
I need  
I can't see the truth,  
Just a hollow echo  
scared, sincere  
I see myself, I don't recognize the same  
Mmm, the  
Time roll backwards start that show again  
But I know how it ends  
A rose stashed away  
By the liars and  
It's in the mirror,  
I seen this text before  
I don't recognize, anything, anymore  
If I could fix it I would  
But there is too  
Blue gone.
