Dreamin', I must be dreamin'

Or am I really lying here with you?

Baby, you take me in your arms

And though I'm wide awake, I know my dream is comin'  
true

And oh I just fall in love again

Just one touch and then it happens every time

There I go by, just fall in love again and when I do

I can't help myself, I fall in love with you

Magic, it must be magic

The way I hold you when the night just seems to fly

Easy for you to take me to a star

Heaven is that moment when I look into your eyes.

And oh I just fall in love again

Just one touch and then it happens every time

There I go by, just fall in love again and when I do

I can't help myself, I fall in love with you

Can't help myself, I fall in love with you
