#### CHORUS

We'll be shadows in the moonlight, darlin I'll meet you  
at midnight

Hand and hand we'll go, dancin' through the Milky Way

And we'll find a little hide a way where we can love the  
whole night away

We'll be shadows in the moonlight right up 'til the light  
of day

Ooh the night is young and baby, so are we

Glad, I'm gonna make you glad you came

You won't need a thing

Just bring your love for me

And darlin' I will do the same

We'll be shadows in the moonlight, darlin I'll meet you  
at midnight

Hand and hand we'll go, dancin through the Milky Way

{Musical Interlude}

Ooh, you won't need a thing

Just bring your love for me

You'll be glad you came

Just wait and see
