I know you're out (x2)
I can feel you now

I know you're out
I can feel you now
(x3)
I know that you're afraid

I know you're out
I can feel you now
(x3)

I know that you're afraid
You're afraid of us
You're afraid of change

You're afraid of change

I know you're out
I can feel you now
I know that you're afraid
You're afraid of us
You're afraid of change

I don't know the future
I didn't come here to tell you how this is going to end
I came here to tell how it's going to begin

I don't know the future

WE ARE AT WAR !

I know you're out
