Iâ'd rather watch Mexican TV
Than to finish this talk with you
Thereâ's no other end of the bargain
Iâ've done everything I can do
Thereâ's a war outside wonâ't you let me in
Iâ'm not the traitor saving his skin
Iâ'm not saving my skin

If you want to drink
You better do it right
If you want to argue
then put up a fight
If you want to cry
Than do it at night
Because I donâ't want to see

If you want to go
then go and hit the road
If you want to stay
Just say so
If you want love
Let it be me

Iâ'd rather dig a hole to china
Than to go on convincing you
Iâ'm not like the ones who came before
Donâ't compare this to something you knew
Our days are numbered and I donâ't want to count
One of these days theyâ'll all run out
One of these days theyâ'll all run out

So if you want to drink
You better do it right
If you want to argue
then put up a fight
If you want to cry
Than do it at night
Because I donâ't want to see

If you want to go
then go and hit the road
If you want to stay

Just say so
If you want love
Let it be me
