Cuz You Need You Need You Need  
Somebody girl  
Oh No No No  
You Need You Need You Need  
Somebody girl  
I,I,I,I think your special  
I,I,I,I'll never let go

But I can read your body language though  
You Sick and tired of guys putting they hands on  
You so i stop and let go, and let go

You know , you know , you know, i want ya  
I know, i know , i know , i know  
I need ya  
So wake up , wake up, wake up, your heart girl  
and i show you what sets us apart girl

Be there in the morning  
Be there in the evening  
Be there when you want it  
Be there when you need it  
I could be your lover girl  
I'd be your best friend  
I can take a hint though  
I know how your feeling

You wanna be loved  
I will I will  
You wanna be loved  
So I will  
She wont let me love  
But she don't  
She don't get enough  
I wil I will  
I wanna Be loved

You, You think its a shame, think its a shame  
Cuz You, think were all the same, were all the same  
But i can show you how were different though  
Theres little things youve got to listen for  
But you, you think its a game

Its not a game

You know , you know , you know, i want ya  
I know, i know , i know , I need ya  
So wake up , wake up, wake up, your heart girl  
and i show you what sets us apart girl

Be there in the morning  
Be there in the evening  
Be there when you want it  
Be there when you need it  
I could be your lover girl  
I'd be your best friend  
I can take a hint though  
I know how your feeling

I wanna be loved  
I will I will  
I wanna be loved  
So I will  
She wont let me love  
But she don't  
She dont get enough  
But I wil  
I will  
I wanna Be loved

I can see it in your eyes, eyes, eyes  
You need, you need , you need somebody girl  
I can see it in your eyes, eyes ,eyes  
You need you need you need somebody boo

Be there in the morning  
Be there in the evening  
Be there when you want it  
Be there when you need it  
I could be your lover girl  
I'd be your best friend  
I can take a hint though  
I know how your feeling

I wanna be loved  
I will I will
