Drivin' down the highway in my beat-up chevrole...
I don't know where I'm goin'... but I know I'm on my
way...
I'm heading for the spotlight at the grand ole opry...
A country boy is all I wannna be....

Well Mama use to tell me that this world was made of
dreams...
and all I had to do was follow through...
She said it takes believin' in the simple things in life..
and faith in God would make my dreams come true....

Repeat Chorus:

Country music playin' on my am radio...
memories remind me of the place that I call home...
I left it all behind me...when I was seventeen...
and now I pick this ole guitar and chase my dream...

Repeat Chorus:

A country boy is All I Wanna Be...
A country boy is All I Wanna Be...
A country boy is All I Wanna Be....
