"Enslaved By The System"

For years
I searched and I found the truth
And now you can't impose
Your vulgar thoughts on me
All this time (wasted by you)
You stepped on and spitted at many people
Using the acquired power
To impose the "Superior race"
Your ideals of racial supremacy (white or black)
Nauseated me, idiotism
Your mind full of shit
Make me express my hate
Your discrimination doesn't worth
Nothing to me
'Cos I've got what you haven't
Mental dexterity !!!
Superior race
Inferior race
Sub race
What ???
We are the same !!!
Superior race
Inferior race
Sub-race
Fuck you !!!
It doesn't exist !!!
Enslaved by the system
By the colour of your skin
An ironic fact
However too realistic
Don't let them discriminate
Don't bend your head down
Let your mind flow
And your body satisfy
Don't forgive them
Attack with the sense of thrash
Don't forgive them
Attack with the sense of thrash
Your discrimination doesn't worth
Nothin to me
'Cos I've got what you haven't
My hate against you !!!
