(This song, it may feel like a Christmas song, but it's really about my favorite doughnut.)

Just keep on glazing, g-g-glazing to
Come on, I wanna have a Krispy Kreme with you
Inside, your teeth are decaying
Your dentist's say, "Oooooo!"

Come on, I wanna have a Krispy Kreme with you
1, 2, 3, 4

Eat 'em, eat 'em up, let's grow
The secret you know
Is delicious dough

Eat 'em up, eat 'em, expand
Working up your gland
We won't be done with the fun
Until we tripple our waistband

Our cheeks are nice and bumpy
How big & plumpy are we
We don't mind looking foul
'Cause it fills are bowels with glee

There's a couple of boxes at John's farm
You bet he's digging with stretch pants on

And that's all I remember, so there you go!
