ADDICTED TO THE PHONE

(Music & Words by Elio Pace) Copyright Control

Kicking Â'round the house
IÂ'm agitated ready to explode
Flicking through my database
And memorising all the codes
My self-discipline is poor
CanÂ't contain myself no more
ThatÂ's right

IÂ'm just addicted to the phone
When youÂ're not home
IÂ'm addicted to the phone
Yes IÂ'm addicted to
To the, to the phone

Sunday crawls around
ThereÂ's nothing on the box and rain outside
Killing time ainÂ't easy
Think IÂ'll sit and watch the clothes get dry
The best things in life are free
But still IÂ'm billed quarterly
ThatÂ's right

repeat chorus

I know you go away
To do the things youÂ've got to do but
It fuels my addiction to get through to you

Had the boys around here
TheyÂ're always such good company
Still with them I get the urge
To dial your number constantly
And when they walk out the door
CanÂ't contain myself no more
ThatÂ's right
