CANÂ'T GET DOWN

(Music by Elio Pace & Darren Loveday -

Words by Elio Pace & Matt Daniel-Baker)

Copyright Control

Temptation walked through the door
YouÂ'd pay to stand in my shoes
With every trick in the book
She stole my right to refuse
No turning back, she got me down on my knees
Got no control, somebody call the police
I need help, I need help
Â'Cause I got myself to the mountain top

I got up and I canÂ't get down
I got up and I canÂ't get down

IÂ'm not a man who would fall
No one could stand in my way
SheÂ's got me begging at night
And pleading mercy all day
IÂ'm riding high
Up where the air is so sweet
And IÂ'm climbing higher
Where itÂ's harder to breath
I got up, I got up
And I got myself to the mountain top

I got up and I canÂ't get down
I got up and I canÂ't get down, canÂ't get down
I got up and I canÂ't get down
I got up and I canÂ't get down

I got up, I got up, I got up and I canÂ't get down
I got up (got up), I got up (got up)
And I canÂ't get, I canÂ't get down
I got up (got up), I got up (got up)
And I canÂ't get, canÂ't get down
I got up

solo

Iâ'm riding high up where the air is so sweet
And Iâ'm climbing higher where itâ's harder to breath
I got up, I got up
Yeah I got myself to the mountain top

I got up and I canâ't get down
I got up and I canâ't get down, canâ't get down
I got up and I canâ't get down
I got up and I canâ't get down
