GOT THE BUG BACK

(Music by Elio Pace - Words by

Sophie Langham) Copyright Control

Iâ've got some good news
Iâ've got to tell you
About a friend of mine who had to go away
Heâ's got a company four-door
And a house thatâ's paid for
Heâ's got a guaranteed exotic holiday

But heâ's written to say
Heâ's always dreaming of the way
It could have been
Heâ's longing to play
And now heâ's ready to admit
Heâ's well and truly bit

Heâ's got the bug back
Heâ's coming right back
Back to the kind of life we used to live before
Weâ'll be jamming all night
Till the groove is uptight
Heâ's coming back and gonna stay
This time for sure

And heâ's taken his time
But in the end you canâ't betray your destiny
Securityâ's fine
But now heâ's itching to be free
Doing what comes naturally

Got the bug back, heâ's got the bug back,
Got the bug back
Got the bug back, heâ's got the bug back,
Got the bug back

solo

And heâ's written to say
Heâ's always dreaming of the way it could have been
Heâ's longing to play

And now he's ready to admit, he's well and truly bit
