THINKIN'

(Music & Words by Elio Pace) Copyright Control

Red, yellow, black or white
Moods I could be tonight
Instead Iâ'm blue from head to toe
And though itâ's true, Iâ'd give it all another go

People â'round me everywhere I play ask me
â“Why didnâ't you bring her tonight?â”
Then the pain starts over again
Just when things started goinâ' right

They get me thinkinâ', thinkinâ' about your love
And though Iâ'm copinâ', Iâ'm thinkinâ' it ainâ't
enough

Fools playinâ' hard to get
Cry over their regret
Just like I do (over, itâ's over) over your photograph
Itâ's gettinâ' through (over, itâ's over)
And itâ's gettinâ' very hard to laugh

Made myself hide away the letters
You would write to me night after night
But thereâ'll be always one Iâ'll see
Just when things started goinâ' right

They get me thinkinâ', thinkinâ' about your love
And though Iâ'm copinâ', Iâ'm thinkinâ' it ainâ't
enough

You know Iâ'm thinkinâ', thinkinâ' of what to do
And though Iâ'm copinâ', Iâ'm thinkinâ' of only you
