Hey look, the snow has settled all around  
I hear the sweetness of a choir's sound  
A crazy rush on Christmas Eve  
And all the children can't believe  
When the bells start to chime  
That Santa will be right on time

What a day, what a day, the magic is here  
What a day, what a day, been waiting all year  
What a day, what a day  
It's Christmas in that old fashioned way

Hey look, some more surprises on the tree  
Turn on a classic movie on TV  
The favourite songs you love to sing  
With Frank and Elvis, Nat and Bing  
There's a knock at the door  
The party's gonna swing some more

What a day, what a day, the magic is here  
What a day, what a day, been waiting all year  
What a day, what a day  
It's Christmas in that old fashioned way

And so let us drink to the memories in our hearts  
We'll raise, raise a glass to you, near or far  
Wherever you are

With everyone we love so dear  
Let's celebrate this time of year  
And the bells start to chime  
A very merry Christmas time

What a day, what a day, the magic is here  
What a day, what a day, been waiting all year

For stockings on the fireplace and candles all aglow

And we'll just keep on dancing underneath the  
mistletoe  
What a day, what a day  
What a day, what a day  
What a day, what a day  
That's Christmas in that old fashioned way
