YOU LOVED ME TOO

(Music & Words by Elio Pace) Copyright Control

I just can't believe it  
You caught me by surprise  
Yesterday you held me  
And now today your eyes tell me  
With all the things I can do  
I can't pretend you loved me too

We had days together  
When we laughed and cried  
Recalling all the memories  
It hurts to think you lied each time  
You swore our love would come through  
Each time you swore you loved me too

Don't want the reason why you carried on  
Building up my dreams with your song  
The song I used to sing to you

And if I had a wish now  
One to ease the pain  
Then I'd wish to hold you  
And kiss you once again  
And when you touch me how you would do  
I could pretend you loved me too

repeat bridge

And when you touch me how you would do  
I could pretend you loved me too  
Oh won't you touch me how you would do  
I could pretend you loved me too
