Waqt

[lyrix ~ danish :: xulfi :: ahmed :: fawad]

this is how the story goes ,in and out
one minute u're there, the next time runs out
its a figure of speech as a matter of fact
did u ever really think about the time you had
its the grain that falls, every second that crawls
to the minute to the hour till infinity recalls
its a barricade of twigs thats really never there
did u ever really think that time even cares
ik ehsaas hai
keh socha na tha
waqt dhalta raha
mein chalta raha

andheron mein bhee
ik roshnee thee
us roshnee mein
ghar jalta raha

tau dil mera roye to kia
waqt iradon ko torey to kia
manzil ko apnee payen gai hum
waqt ko apna banayen gai hum

ho ho ho
ho ho ho
ho ho hoho
jo chahoon woh ho

ho ho ho
ho ho ho
ho hoho

here's a little something that you really can think about
the time that got left and time that ran out
keepin in mind what i left behind
my sanity my soul brought down to a fine line
the pain the shame too late to quit this game
i can never change....
cuz i'm one of a kind
even if i wanted to i couldnt decide

cuz i never really had time on my side

girta raha
sambhalta raha
is khamoshi mein
main marta raha

umeedon kai mein saye taley
khwabon ko tarasta raha

tau dil mera roye to kia
waqt iradon ko toreya to kia
manzil ko apnee payen gai hum
waqt ko apna banayen gai hum

is dhool kai khumar sai nashey mein rahey
giray jin diyon pai pardey jaley na bujhey

ho ho ho
ho ho ho
ho ho hoho
jo chahoon woh ho

ho ho ho
ho ho ho
ho hoho

.....
mein chahoon woh ho
