You can dance on my head
I wouldn't mind
It wouldn't be the first time
When we're kickin' up dust
Reflecting light

It's much brighter at night
It's much brighter at night

We can speed in my car
Under traffic lights
With no sun in our eyes

We can do what we like
If you don't mind
It's much brighter at night

I won't trade night for day
Street lights they are shining anyway

Much brighter at night
Much brighter at night
Why not just let go?

Much brighter at night
Much brighter at night
I love a truth-be-told
What do we do when the sun comes down?
When all that we do.
We do when it's brighter at night

(4, 3, 2,1)

We can speed in my car
Under traffic lights
With no sun in our eyes

We can do what we like
If you don't mind
It's much brighter at night

I won't trade night for day

Street lights they are shining anyway

Much brighter at night
Much brighter at night
Why not just let go?

Much brighter at night
Much brighter at night
I love a truth-be-told
What do we do when the sun comes down?
When all that we do.
We do when it's brighter at night

I'm not mistaken just pretending
I'm replayin' night after night after night

Much brighter at night
Much brighter at night
Why not just let go?

Much brighter at night
Much brighter at night
I love a truth-be-told
What do we do when the sun comes down?
When all that we do.
We do when it's brighter at night
