Ma doesn't know where I am  
Full swollen eye, I walk out the door Juan is already  
down  
And by the time she notices I'm gone  
I'll either be rich as a czar or fed to the crows

Daddy wasn't there and, Daddy wasn't there and  
who was supposed to watch over my back when  
Danny was a shit man, I'll kill him again if I can, though  
he did show me life wasn't easy

You kick me, you hit me, I'll say I'm ready  
Wash your knee right to my face, I'm still ready  
Why should he treat me like that tell me mummy?  
What could I've done to deserve all this loving?  
Talk to me mother, I am somebody  
One dose of colour and your world is sunny

As time hits 9, its on  
Theres no turning back, I'm on my own  
If I had a, say things might've, taken another route  
out all together  
Who doesn't want a, normal childhood, its hard to  
move on just believe me

You kick me, you hit me, I'll say I'm ready  
Wash your knee right to my face, I'm still ready  
Why should he treat me like that tell me mommy?  
What could I've done to deserve all this loving?  
Talk to me mother, I am somebody  
One dose of colour and your world is sunny  
Why should you bother, How could you worry  
One dose of colour and your world is sunny
