Empty vase of roses filled with water
written letters tell the emotions for her
she was hundred miles alone
she was far away from home

Tried my best to make her happy
tried my best to love her equally
she was hundred miles alone
she was far away from home

How to make it easy (x 2)
tell me now

Let me touch your face I can steal the silence
Iâ€™m on the way youâ€™re the same as I am.
middle of the rain, all this staged alliance
Iâ€™m on my way, youâ€™re the same as I am

Promised her that Iâ€™d love her
always said that Iâ€™ll make it happen for us
she was hundred miles alone
she was far away from home

Chorus repeat

Its really unfair to say I didnâ€™t try
its really unfair on your part that I lied
when all I did was
wait as much as I can

Isn't seven days too less
for somebody to confess, their lies
lies do walk, you let some time, meet heavens
how we left the game then?
well you will never say

Iâ€™m the one who cared
Iâ€™m the one who left
then you tell me that
all this time we spent was never real
it made me go back, into a time web
