I said it all,
Let them call me anything
Why cant it all be healed

I said it all
Let them be all, they wanna see me fall, im ready to go
(x2)

Iâ€™m a hundred and im trying im trying to make them
understand
Two hundred and a lie later still walking unaware
Ordinary little lives, im saying I wouldnâ€™t let it bother
me
Tomorrow doesnâ€™t matter really, what matters is im
coming homeâ€™...

I said it all
Let them call me anything
Why cant it all be here

I said it all
Let them be all, they wanna see me fall, im ready to go

Barefooted and docile, im trying to make them
understand
Two olives and a smile later and ill be on my way
Ordinary little lives, im saying I wouldnâ€™t let it bother
me
Tomorrow doesnâ€™t matter really, what matters is im
coming home finallyâ€™...

This last mile may not seem easy
Now it comes to me
Hollow as it was, shadows on the wall helped me

Flashes of my life return to me
As a memory Iâ€™ll feel, alive, im ready now
