Rita's laying on the floor  
Ass up wild-eyed  
She loves teasing all the boys  
In her plaid skirt, pantyless

Rita, you make me nervous  
You don't care, if it thrills you  
Rita, you don't deserve this  
Pain and suffering you put yourself through

How I would love to be there  
I'm the one who champions you

Rita says,  
"It's just a matter of time,  
you know, I'll never make heaven.  
But I don't wanna go, I don't wanna go  
Where I'm unwanted!"

You should know I've always been here  
I'm the one who champions you

Let me in,  
just once
