'cause losing ain't the option, no

my love got a pass not me for ..
talking from roll was never ..I was..

..let the cops ..

Hook:

I'd rather die
before I leave average
I'd rather die
before I leave average baby
so kiss my closest kiss
kiss let it know a nigga miss, I miss
and the hook my dears friends
(hook tell em all I was a ..)
we can..baby we gotta wait
baby we gotta wait, nigga we

you ever try to have ..diets
how..get mother f*cker
and you wonder why..holding money mission
as I speed to the project
no struggle translate to no progress
and before I let them pants let the process
drive porsche nigga when it cockets
middle fingers up f*ck ..'cause I'd rather die

[Hook:]

so I just can be average
I'd rather die

you see I'd rather die than the average
rather die
see I don't know, I don't know how it feels to be
average
I don't know how it feels to be average
no more, my ordinary is extraordinary
my natural is unnatural
my regular is incredible
I don't know how it feels to be regular
what is average
see I don't know what it feels like
what it is look like to be broke
I don't know what it look like
not in my mirror
