around baby lexus
and this just playing for the future
but right now i got a plan for the luthor
kitchen filled with dealers and den full of shooters
wait on a plate call me don fucking schuller
coach mac i can help you maneuver, put a in zone ... a
whole lot sooner
and who don't wanna score? land of the ...who don't
wanna ...
short read to success who don't wanna ...
hate the little man nigger come to the source
and that's me in ... in the truck on the a freeway
brick that's the brick call it work pj's,
and i keep getting cake like it's my b-day
after the party, when we run out of drag and the drow's
all gone
no more sex, no more ex and no matter chicks only,
then it's back to the business cause gettin' money is all
i know
back to the business, back to the business, i gotta get
back
back to the business, i gotta get back, back to the
business
... my squad are ruling, now take a look at what these
streets did to me

and more weed ... free, i'ma start this movie
it's moving nigger as real, one move swing then the
nigger ... dead
magno so we're splitting half bread, the wolf gonna
bite ... to keep their ass fed
and we likings, might start fighting, we so violent the
goons get frightened
don't matter, first class flight, if you .. .get tightened
i'm a titan, clash if you want them
came a long way from gettin' cash on a corner
fuck club, we a... working, your ass is a goner,
motherfucker
after the party, when we run out of drag and the drow's
all gone
no more sex, no more ex and no matter chicks only,
then it's back to the business cause gettin' money is all

i know
back to the business, back to the business, i gotta get
back
back to the business, i gotta get back, back to the
business
get that dough, get that dough, get that dough, get
that dough
after the party, when we run out of drag and the drow's
all gone
no more sex, no more ex and no matter chicks only,
then it's back to the business cause gettin' money is all
i know
back to the business, back to the business, i gotta get
back
back to the business, i gotta get back, back to the
business.
