I bet you think cause you saw me on the TV,
that you know my whole life story,
let me tell you something you might not know,
f*** what you're talking bout, b**** I get doe, I get
doe.

x3
I get doe.
I get doe.
I get doe.
B**** I get doe.

I get doe, n***** watch, I can show you how.
Continental GT b**** I'll show you now.
Whenever showing up, I can't control my bowels,
Gotta s*** on n*****s, *DON'T KNOW*
Fast life, fast cars, ain't no slowing down,
ain't no breaks on my drive, we're into flowing now,
It's like the bridal got stuck, heading for the clouds,
and the law is on my a** cause they know my file,
But now my mumma rest in peace, i'm a soldiers child,

so no more stoppin for those coppers till the role run
out,
more money, more problems, shit i know it now,
but ain't no time to resolve it, there's too much doe to
count.

CHORUS

I bet you think cause you saw me on the TV,
that you know my whole life story,
let me tell you something you might not know,
f*** what you're talking bout, b**** I get doe, I get
doe.

x3
I get doe.
I get doe.
I get doe.
B**** I get doe.
