You could take me out the hood and put money in my pocket  
But I'ma keep it hood, I ain't got no other option  
Baby I'm rich, and I'm thugging  
I'm rich, and I'm thugging  
You could take me out the hood and put money in my pocket  
I'ma keep it hood, I ain't got no other option  
Baby I'm rich, and I'm thugging  
I'm rich, and I'm thugging

Rich and bitch, LV's on my kicks  
And you know I switch whips like my draws and my fits  
Cleaner than a pimp with a purple kush stitch  
â€¦ you know I'm trying to ball like I'm fresh off the bench  
Bentley on my wrist, phantom on my neck  
See I'm fresh about the bricks but still got them on deck  
Life is a movie and you acting on my set  
When I yell cut you'll never work in this town again  
I'll be moving so mean hood nigger with a dream  
Gotta stay strapped so I don't get Martin Luther King  
Product of the crime rate, broke niggers why I hate  
Take me out the hood but can't change a nigger mind  
of state

You could take me out the hood and put money in my pocket  
But I'ma keep it hood, I ain't got no other option  
Baby I'm rich, and I'm thugging  
I'm rich, and I'm thugging  
You could take me out the hood and put money in my pocket  
I'ma keep it hood, I ain't got no other option  
Baby I'm rich, and I'm thugging  
I'm rich, and I'm thugging

â€¦ to boutiques I can't pronounce  
Talking not real amounts the cash is â€¦ to count  
Now that's cash, fuck bank accounts

The shoe box old just in case I gotta bounce  
On the law, cause we ball, night in and night out  
The shooters all around, they pull up is like  
Rounds pierce, and I ain't talking about  
These shots will leave a nigger than  
Now back to the Kobe on the rumble bee  
Catching rolling through the street is like a tumble  
So my advice to you haters is to come and squeeze  
Cause death the only thing that's gonna humble me

You could take me out the hood and put money in my  
pocket  
But I'ma keep it hood, I ain't got no other option  
Baby I'm rich, and I'm thugging  
I'm rich, and I'm thugging  
You could take me out the hood and put money in my  
pocket  
I'ma keep it hood, I ain't got no other option  
Baby I'm rich, and I'm thugging  
I'm rich, and I'm thugging  
Baby I'm rich, and I'm thugging  
I'm rich, and I'm thugging  
I'm rich, and I'm thugging  
Yeah, yeah,  
Baby I'm rich, and I'm thugging  
Baby I'm rich, and I'm thugging

You could take me out the hood and put money in my  
pocket  
But I'ma keep it hood, I ain't got no other option  
Baby I'm rich, and I'm thugging  
I'm rich, and I'm thugging  
You could take me out the hood and put money in my  
pocket  
I'ma keep it hood, I ain't got no other option  
Baby I'm rich, and I'm thugging  
I'm rich, and I'm thugging.
