Open Up Your Mind And Let Some Thought Inside Open
Up Your Mind As They All
Survey 4 Out Of 5 And They All Survey 4 Out Of 5 And
They All Survey Open Up
Your Mind And Let Some Thought Inside Open Up Your
Mind As They All Survey
And In This Time Of Free Thought It'd Be A Shame To
Let It Rot Open Up Your
Mind As They All Survey When You're All Alone You'll
Never Wanna Know Open Up
Your Mind As They All Survey 4 Out Of 5 And They All
Survey You Gotta Let
Some Thought Inside As They All Survey Caught
Between The Parallels Of Life

And Death And Compromises Fill The Hours With New
Vices Voices Screaming Time
Is Numb Single File Come And Follow Choosing Futures
From Brochures Changing
Channels No Opinion Losing Track Which Way Is Up
Use Your Head For What It's
There For Though Not One In The Same Receptive
Minds Co-operate Do Not
Dissect The Human Race Make One United Higher Plain
And In This Time Of Free
Thought It'd Be A Shame To Let It Rot Open Up Your
Mind And Let Some Thought
Inside Use Your Head, For What It's There For
