The ending  
That peace could grow inside of you  
In spite of me (echos)  
Humanity  
I hope youre out there somewhere  
Right now im all alone  
I feel my time has come  
Embrace the ending  
I cannot take this pain  
I cannot take this shame  
Save us from ourselves  
Welcome the way that we  
Embrace the ending  
We all fool ourselves  
When we share the wealth  
Welcome the way that we embrace  
The ending  
To disagree with me  
Used to be  
All that i wanted you to see  
All that i needed you to be  
Does anyone care  
To disagree with me

Admit defeat we bleed  
In disbelief  
I hear the whole world  
We All fool ourselves  
Welcome the way that we embrace the ending echo x2  
we all fool ourselves  
And its all inspite of me  
Humanity  
I hope your out there somewhere echo  
all alone i hear the whole world  
And its all i ever wanted to believe  
Humanity  
Humanity I hope your out there somewhere echo  
Out there somewhere i hope your out there somewhere  
Does anyone care humanity i hope your out there  
somewhere  
out there somewhere x3
