Woman: Is it my tits ? Are my tits too small? What is it ?
Is it sex? What is it? Tell me! You don't like the way I
fuck ?!

Man: Thats not it

Woman: If you want me to do something different, I'll
do it!

Man: Thats not it

Woman: What is it ?...Am I too old ?

Man: Thats not it

Woman: Thats it, isn't it? That's it. You just want to be
Peter Pan, sticking your little wand into the pubescent
fountain of eternal youth.

Man: You wanna know why, you really wanna know
why? I'll tell ya.

Woman: Tell me.

Man: You're not a nice person. You're a bitch.
