Face the day, embrace the pain  
Wage my war internal, save my soul eternal  
Wage my war internal, save my soul eternal  
Wage my war internal, save my soul eternal  
Wage my war internal, save my soul

Reach out for redemption  
It bites the hand that needs  
Neglect becomes rejection  
The silence sounds retreat

I can't believe anything you say  
(It's the last time)  
(It's the last time)

Chained to the past ride the wings of despair  
Corroded and rusted trust beyond repair  
In this triumph of the wills I won't be overrun  
The pride that is instilled cannot be overcome

Chained to the past ride the wings of despair  
Corroded and rusted trust beyond repair  
In this triumph of the wills I won't be overrun  
The pride that is instilled cannot be overcome

I can't believe anything you say  
(It's the last time)  
(It's the last time)  
(Break it all down)  
It's the last time that I'll try today  
(It's the last time)  
(It's the last time)  
(Break it all down)

I can't believe anything you say  
(It's the last time)  
(It's the last time)  
(Break it all down)  
It's the last time that I'll try today  
(It's the last time)  
(It's the last time)  
(Break it all down)

I can't believe anything you say  
(It's the last time)  
(It's the last time)  
(Break it all down)  
It's the last time that I'll try today  
(It's the last time)  
(It's the last time)  
(Break it all down)
