Confuse the way we all live life
We want the same pursue the prize
Our own way
Our own way

Consuming time to run in place
Thoughts intertwined can't navigate and lose our way

Confuse the way we all live life
We want the same things at what price
Our own way
Our own way

Confuse the way we all live life
In acts of rage we throw the game but still play

Arise from your failures the traitors all await your final
fall
The curtain call
Despised imitators plagiarized dictators claims are
false
All is lost

Arise!
Arise!

Arise!
Arise!

Arise!
([Incomprehensible])
Arise!
([Incomprehensible])
Arise!
(The traitors all await)
Arise!
(The traitors imitate)
Arise!
([Incomprehensible])
Arise!
([Incomprehensible])
Arise!
