Baaby, Baaby
Who, knew he loves me
Sorta confused
You made it easy(a-a-ah)
You, used to love being scary
The pain was all I expected
Wasn't even surprised when you left me, cuz

My heart break just rewinds
Why would it play different this time?
Cuz it's always that way
A million times
When your heart breaks
That way you memorize
Look in my mi-ind
Can't get it out
Everyti-ime happens everytime
It's always that way
And my heart break
It's on repeat x5
O-on repeat
Cool, cool,
I trust ya
What could you do, that was new to me, baby? Nothin
True, you may really love me
The fact is love scene is over
Touch me cuz

My heart break just rewinds
Why would it play different this time
Cuz it's always that way
A million times
When your heart breaks that way
You memorize
Look in my mi-ind
Can't get it out
Everyti-ime happens everyti-ime
It's always that way
And my heart break
Is on repeat x5
O-on repeat

O-on repeat
O-on repeat
O-on repeat
O-on repeat
O-on repeat
O-on repeat
