(Juvenile)

I be comin' up wit da glock toy
You can stop boy
You ain't heard I'm off tha block boy
Chipp-pedy chop boy
Off in ya cut is where I'm layin
Ready fo' sprayin'
Soon as I see yo face and hand
I ain't wit dat playin'
My daddy showed me how to play it in a situation
My daddy tol' me I ain't shit wit outta occupation
So I played the game
Bust yo head if you said my name
I had some of deez niggaz scared I came
I kno' some niggaz out tha (mag)nolia that'll ride fo'
me
I kno' some niggaz hollin' solja dat a die fo' me
T.C., L.T., Magnolia and six
Oh you want some of dat fire dope you can score in da
bricks
You disrespectin' my mind cuz you keep comin' short
I might hitcha wit dat iron cuz you need ta be taught
You keep showing yo teeth cuz you thank its a joke
You mus thank deez bullets ain't real and you ain't gon
git smoke

(Chorus)

Now if ya at dat second line and dem boyz gotta gun
You betta run for it, run for it, run
And if ya too deep in some beef and dem boyz bout ta
come
You betta run for it, run for it, run
If ya ain't gotta strap but cho enemy got one
You betta run for it, run for it, run
And if you git into it wit a cash money brotha
You betta run for it, run for it, run

(Lil Wayne)

I be in all black sometimes
Sometimes I be jumpin out trees in camouflage
Me and Juvenile got two keys we bout ta ride

Dem boyz playin wit da U.P.T. well dey gots to die
Man its that deep
It's a tragedy
That you can test me
Heard I run in houses don't put it past me
Hell look boy you betta tell deez niggaz
Fo' I mask up and try ta kill deez niggaz
You'ont' want my stress troubles
I be back in 2 hummers and 5 lex-bubbles
Wa my big brother Juvy
Tol' me not to eva letta nigga screw me
Tol' me if I eva did he would do me
Gave me two guns and sent me round dey shootin'
And then they start runnin'
Hardest niggaz on tha block started actin like a woman
Tha 4-foot stranger in ya area bustin'
Load it up and slide it in
Cock it back pop it out we ridin
??? ? I'll run in a busta spot
I'll sit on a busta porch
I'll sleep on a busta block
Apply five and then let go
!Bang! Lil' cowards keep playin, get hurt
Motha-flirk see I'ont' curse
But'll wet up yo shirt
Look all my enemy's see me comin
All my enemy's peeeeeeeeeuuungggggggghhhhh be
runnin'

(Chorus)

(Juvenile)

You thank I'm playin-a somthin Lil Woo dey' I ain't
trippin'
Tha beef started last week and dem niggaz still be
hittin'
Two children got killed and a ol' lady got hit
Look I'm bout ta git tha fuck cuz I ain' got no time fo'
dis shit
Now you can be comin' through
And runnin to a gun if you feel
That they ain't gon' do you shit cuz ya real
I'ont' wanna be witcha when its hapning either
I probably be some where ducked off takin a nap wit my
people
I'd rather see it on T.V. than see it in person
Having my fucking' head hurtin'
When dem 30's be burstin'
Bet if yo beef see ya he ain't gon wait fo' ya dog
Our all gon' try to rearrange ja face fo' ya dog
2nd line and round dem clubs ain't no place fo ya dog

Dem same niggaz you come up wit playa-hatin ya dog
I see em comin wit choppers and I know they gon' bust
Lil' Wayne hol' up
We kiting out sho' nuff'

(Chorus) 2x

Run for it
Ya betta run for it, run for it
Ya betta run for it, run for it
Go git cha gun for it

Ya betta run for it, run for it, run
Run for it, run for it, run, run for it
Run for it, run, run for it, run for it, run
Get cha gun for it , gun for it, gun
Get cha gun for it gun for it
