[Chorus: Soulja Slim]

Slow motion for me, slow motion for me, move it slow
motion for me

Slow motion for me, slow motion for me, move it slow
motion for me

Uh I like it like that she working that back I don't know
how to act

Slow motion for me, slow motion for me, slow motion
for me

Move it slow motion for me

Uh I like it like that she working that back I don't know
how to act

Slow motion for me, slow motion for me, slow motion
for me

Move it slow motion for me

[Verse 1: Soulja Slim]

I'm a dick thrower

Her neck and her back hurting

Cut throater I'll have you like a brand new virgin

I'ts like when you get used of it then you start serving

Hop up on top and start jicky-jicky-jicky jerking

Slow down for me you moving too fast

My fingers keep slipping I'm trying to grip that ass

Keep being hard headed and Ima make you get of me

Got human enough disguise but my face is a doggy

If you loving my bark let me bury my bone

I got 4 or 5 bad married bitches at home

One of my bitches feel in love with that outside dick
that outside dick keep them hoes sick

[Chorus]

[Verse 2: Juvenile]

I'ts like I got the world in my palms

Your girl up under my arms

She fucked up from the charm

She love the way the dick stay hard from 12 till early in
the morn

Fine bitches if you listening you heard me I'm strong

If you going through your cycle I ain't with It I'm gone

You must have heard about them hoes that I beat up in
my home
They wasn't telling the truth baby you know they was
wrong
Na make it official wheres some of that don
I don't mind buying to, your riding to
Don't be asking nigga questions about where I'm
driving you
Lil mama my shit together I ain't driving you
I don't think that nigga could do you better then I could
do ya know
And juvenile from cross the street by the derby
Same nigga that used to be running with rusty and
kirby
Can a playa from the 'nolia get a chance with it
But I can't bounce with you without using my hands with
it

[Chorus: Soulja Slim]

Uh I like it like that she working that back I don't know
how to act
Slow motion for me, slow motion for me, slow motion
for me
move it slow motion for me
Uh I like it like that she working that back I don't know
how to act
Slow motion for me, slow motion for me, slow motion
for me
move it slow motion for me

[Verse 3: Soulja Slim]

Slow motion, she open, I'm hoping that she don't leave
my dick broken
With brush burns and swollen
I'm toting she wanted me to make her out a believer
I guarantee ya ima see ya when I see ya
And just don't holla out my name like we was all that
Your pussy throw back and you know that
So stop stunting slow motion for a real nigga
I'm going off that incredible potion and imma deal with
ya

[Juvenile]

I like how that victoria secret sit in that ass
Let me pour some more hip and hennsey in your glass
Would I be violating if I grab me a handfull
I know what's happening all I want is a sample
Who you wit I'm in the rental today
It's going down and happening and I remember the
way
Less money we spend on bullshit the more for the we

What's it gonna take for you to come slow motion with me

[Chorus 3X: Soulja Slim]

Uh I like it like that she working that back I don't know how to act

Slow motion for me, slow motion for me, slow motion for me

move it slow motion for me

Uh I like it like that she working that back I don't know how to act

Slow motion for me, slow motion for me, slow motion for me

move it slow motion for me
