Do you nestle by my barstool  
making me so comb within  
Have you touch me with your warmness  
or have I wet myself again

Are you drinkin' with me Jesus  
I can't see you very clear  
If you're drinkin' with me Jesus  
Would you buy a friend a beer

But does your head pound, with the message  
As hung over you do rise  
Tell me what does heaven look like, Jesus  
Seen through holy bloodshot eyes

Or should we take a taxi home Jesus  
But can we simply hoof it from here  
I know you can walk on the water  
But can you walk on this much beer  
Are You Drinkin' With Me Jesus?  
Beat Farmers

Are you drinkin' with me Jesus  
I can't see you very clear  
If you're drinkin' with me Jesus  
Would you buy a friend a beer

Are you drinkin' with me Jesus  
I can't see you very clear  
If you're drinkin' with me Jesus  
Would you buy a friend a beer

Would you buy a friend a beer
