Well if I can't say what's on my mind
If you can't love me all the time
If you gonna make me blow my stack don't take my
love
Just-a-jump-a-right back

I'm looking for a gal that'll understand
I need some-a kissing and-a holding hands
If you can't give me what I lack you don't want my love
Just-a-jump-a-right back

I'm looking for a girl that'll love me true
And don't be telling me what to do
Or how to be or how to act
And if you can't dig that
Just-a-jump-a-right back

If you don't like my lonely ways
If you don't like the song I play
Then I know it's a natural fact you don't want my love
Just-a-jump-a-right back
